

# Unicla® hDrive™

## The ultimate AC hydraulic drive solution.

**Agriculture, Construction, Road Making, Waste, Mining, Logistics and Industrial Assets**

**Utilises OE electrical system, no upgrades of alternator or batteries required**

**Maximum cooling performance while at idle**

**Proven technology and durability of design equals less downtime**

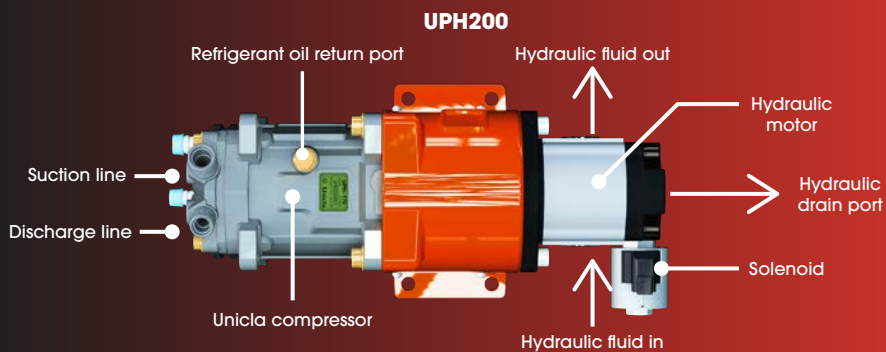

## Engineered for freedom. Simply plug and play.

- Your choice of capacity, motor, rear cap and oil
- Three capacity options - UPH150 (5 kW), UPH170 (7 kW), UPH200 (10 kW)
- Two motor options - without solenoid, or with integrated solenoid (12 or 24 V dc coil)
- Vertical or Horizontal compressor ports
- PAG or POE refrigerant oil
- Complete range of spare parts available

**No matter the problem, we have the solution. The choice is yours.**

# Engineered for freedom.

## Universal...in any universe.
